Request to Amend Drawings

Sir:

Applicants request to amend the pending drawings as indicated herein.

In Figure 1, Applicants have provided descriptive labels for elements 14, 20, 22, 24, 26,
and 28 in accordance with the descriptions of such elements in the Specification at Pages 11-13.

In Figure 2, Applicants have provided descriptive labels for elements 32, 52, 54, 56, 58,
60, 62, 109, and 110 in accordance with the descriptions of such elements in the Specification as
described at Pages 13-14.

In Figure 2, the reference numeral for the journal printer has been corrected to indicate
the correct numeral (48), as indicated in the Specification at Page 13, line 17; Page 14, line 10;
and Page 40, line 12.

Approved

P.E.

In Figure 5 and 6, the reference numeral for the card reader (38), has been corrected to conform with the Specification at Pages 13-14 and in Figure 2.

Attached are proposed corrected drawing sheets with the changes marked and corrected formal substitute drawings.

Applicants also request to substitute formal drawings for the informal drawings currently pending. Thirty-one (31) sheets of formal drawings are enclosed including Figures 1-31. Except for the corrections discussed above, these formal drawings are the same as the original drawings except for line quality, margins and paper size.

No new matter is added as a result of this correction and substitution. Amendment of the drawings by substitution is respectfully requested.

Respectfully submitted,

Ralph E. Jockey Reg. No. 31,029
231 South Broadway
